Dated 21st October, 2010

Dear Shri Patnaik,

This is to convey our deep appreciation of the commendable work done by your State in providing computers to all GPs and for operationalising the Model Accounting System for Panchayats (MAS) and PRIASoft. The detailed office orders of 25th June, 2010 etc. issued by the State Panchayati Raj Department, with clear guidelines to all functionaries of PRIs, are also appreciated. We further acknowledge the sincere and relentless efforts of Shri S.N. Tripathi, Principal Secretary (PR&RD), the driving spirit, in this regard.

2. As a leading State, you may further kindly consider (1) integrating NREGASoft with PRIASoft, and (2) adopting the mechanism of 'Efficient & Simple Financial Management System and Online Transfer & Tracking of Funds' as suggested vide my letter dt. 23.02.10. This would greatly enhance the value of MAS & PRIASoft as a higher level management tool.

30/10

With regards.

Yours sincerely,

(A.N.P. Sinha)
